ULTIMATE EXPERIENCE'S CHRISTMAS VENUES

Ultimate Experience has announced its Christmas party venues for 2016. Shared and exclusive parties are available at a wide selection of venues across London, with all-inclusive party packages including seasonal menus from Create Food & Party Design, entertainment, theming, production and drinks packages.

Old Billingsgate's original features are enhanced with iconic 20th Century furnishings, for exclusive parties with an industrial edge. The venue is best suited to large-scale Christmas parties.

Old Billingsgate Vaults, beneath Old Billingsgate, offers a nightclub style party venue with plenty of opportunities for branding and theming. Christmas party nights come complete with an 'Apres-Ski' theme, inspired by the vintage ski posters of the 1920s. Rustic wood finishes, furs and vintage touches will complete the look.

The Artillery Garden at The HAC has a Christmas theme inspired by Mardis Gras. The look is a dazzling mix of bourbon and voodoo. Dodgems can be incorporated into the Christmas celebrations.

At **The Pavilion at the Tower of London**, moody hues are mixed with overgrown foliage and a gothic mix of dark blooms, setting the scene for 'Midnight Bloom', this year's festive theme.

Studio Spaces is both a nightclub and state of the art event space. The venue includes two state of the art spaces, with an urban look. The venue is near Tower Hill station.

Located on Level Two of the iconic OXO Tower, **OXO2** is a contemporary space offering panoramic views across the river Thames. This Christmas a traditional arctic winter design is inspired by the Northern Lights.

The **Roundhouse** is a Camden venue which is best suited to large events requiring great production and audiovisual facilities. The event space will be enhanced with further production technology this winter.

One London Wall has a glamorous Christmas theme, 'High Society'. This look will take guests back in time to the 1940s, with vintage theming reminiscent of Grand Central station.

Austin Friars is a City venue in a central location. The venue has an understated, festive décor, with glowing lanterns, warm lighting and candelabras. Entertainment is provided by a pianist and saxophonist.

Glaziers Hall has a 'Gatsby' Christmas theme for 2016. The venue comes to life with lanterns and flickering candles, setting the scene for roaring 20s celebrations.

Concerto Group CEO Sam Gill said: "This year's Christmas themes are bigger than better than ever; we can't wait to welcome our first Christmas party guests to Ultimate Experience's venues this winter."
