Venueseeker already has a portfolio of London-based venues. The first phase of expansion will open up sporting venues including motorsports circuits, race courses and football clubs nationwide. Many more will become available for clients to choose from across the UK, starting with the major cities over the next six months.

Lauren Gough, account director of Venueseeker said, "With this exciting expansion across the UK, Venueseeker offers clients an incredible range of dynamic venues and hospitality services. The Venueseeker team has a wealth of expertise to help clients meet any brief."
